## THE NEW HONDA HR-V

The bold new HR-V delivers a multi-dimensional driving experience that's small on compromise and big on fun. The world's best selling small SUV blends the beautiful lines of a coupé with the practical space and toughness of an SUV, creating a car that can keep pace with your life, wherever it takes you. Welcome to the new standard in comfort, style and versatility.

Daytime Running Lights

## DYNAMIC STYLING

The HR-V's contemporary shape catches the eye and stirs the heart. Its fluid lines have not only been designed to make the car look dramatic but, more importantly, aerodynamic and fuel-efficient.

New design details like its distinctive dark chrome front grille, sleek headlights, daytime running lights (DRL) rear chrome trim and sporty front bumper give it an elegant, yet rugged look. So, whatever road you're on, from a weekend away, to meeting friends in town, the HR-V is designed to fit.

LED Rear Taillights

Taillights with Integrated LED Light Bars give the HR-V a distinctive, sporty look.

## MAKING AN IMPRESSION

The strong lines and distinctive Honda grille emphasise its bold design. The bodywork – sitting on 17" sporty alloy wheels\* – is sleek and refined, and has an aerodynamic, crossover profile with a sporty edge.

With dynamic handling and impressive standard specification – with the option to personalise it to your preferred choice – all add up to create an SUV that is perfectly suited to life in the city.

## DESIGNED AROUND YOU

We've intuitively designed the HR-V cockpit to ensure that everything is where you need it. So, although the elegant dashboard includes the very latest technology, it's incredibly easy to understand and use. Black and Beige leather upholstery\*, automatic climate control and electrically adjustable door mirrors are just some of the features that ensure you will enjoy every journey.

The HR-V EX Grade now features automatic climate control where you can adjust the temperature of the cabin with the touch of a button.

**HR-V**

## FEEL GOOD INSIDE

Take time out from your hectic day. Relax. We've designed the spacious interior of the HR-V to be a really pleasurable place to spend time.

You may just be doing the weekly shop but that shouldn't mean you can't do it with space and style. New leather\* upholstery complements the generous interior and is coupled with sporty details like chrome door handles and leather steering wheel and shift knob, giving the HR-V a premium feel.

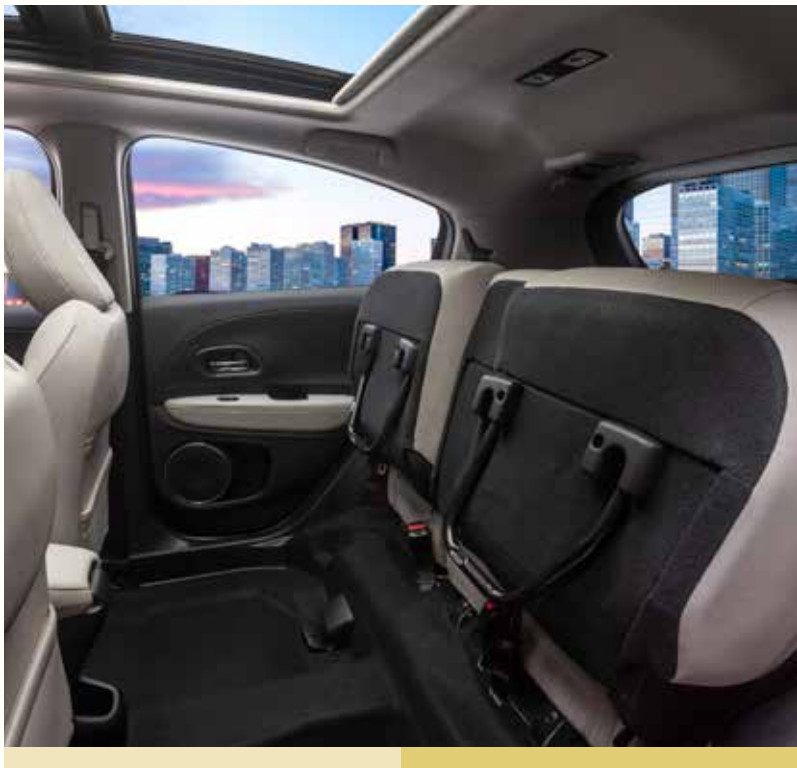

# ENGINEERED TO FIT WITH YOUR LIFE

Designed to adapt to your lifestyle, the HR-V gives you a clever, comfortable and capacious interior. Centrally-mounting the fuel tank provides the HR-V with a huge boot and our novel Magic Seats® are further evidence of smart thinking. The Magic Seats® are designed to configure in lots of useful ways to increase carrying capacity and versatility.

In total there's 1,004 litres of boot space and the wide tailgate opening and low loading height make everything easy to access.

From parked to packed in no time at all. But it's not just the seats that are magical. The fact that the HR-V has the comfortable leg and headroom often found in larger cars, is quite a trick.

**EASY FOLD DOWN 60:40 SPLIT REAR SEAT**  
These ingenious 60:40 split seats can dive down to the floor, making a large space truly vast, or tip up to allow for sideways loading of awkward objects like a bicycle. What is more, you can easily fold the seats with one hand, in a single motion.

**60:40**

60:40 Split  
Folding Rear Seat

# BRINGING THE OUTSIDE IN

The HR-V may be a small SUV, but thanks to its opening panoramic glass sunroof, it feels roomy and airy on the inside - in fact, you would be forgiven for thinking that you were driving a much larger car.

# HR-V

## MORE ROOM FOR WHAT MATTERS

Generous cargo space becomes even roomier with the fold-flat rear seats and extended luggage compartment. Whether you're running errands or roaming across the country, the HR-V has room to spare.

**1,004**  
LITRES

1,004 litres  
of boot space

Specifications vary according to country. Please consult your local dealer for details.

## TRAVEL IN STYLE

Discover a new standard in comfort and style with a cabin boasting attention to detail. From front seats redesigned for greater comfort to more rear legroom than even many larger SUV's, you and your passengers are comfortable from point A to B.

1.8 litre 16-valve SOHC i-VTEC\* engine is economic and efficient

## POWERFUL ECONOMY

The HR-V has spirited engine performance matched with low running costs. It features a responsive 140hp 1.8 i-VTEC petrol engine which maximises economy and efficiency, achieving 16.9 km/l, or over 800 km on a tank of fuel.

The HR-V is front-wheel drive, driven by a 7-speed fully-automatic CVT (Continuously Variable Transmission). With the CVT transmission, you have the ability to drive the car in a relaxed, automatic mode.

## EXTRA SMART, EXTRA SAFE

The safety of your passengers, other road users and pedestrians has always been one of our fundamental design requirements.

That's why we have packed a great deal of advanced engineering as standard into the new HR-V. Driver Assistive technologies, like Vehicle Stability Assist™ (VSA®) with Traction Control, Electronic Brake Distribution (EBD) and Advanced Compatibility Engineering™ (ACE™) Body Structure all aid the driver and enhance occupant protection and crash compatibility in frontal collisions. Further more, the new HR-V is comprehensively tested to exceed the most stringent safety standards and has been awarded the maximum five star safety rating by Euro NCAP.

Saving space and easy to use, simply flip the button to engage the Electronic Parking Brake, the additional Brake Hold function, makes driving in stop-and-go traffic much more convenient.

## GRADES

### EX

#### Adding to or replacing features on the LX:

##### Exterior

- LED Headlights
- LED Fog Lights
- Chrome Door Handles
- Side Mirrors with side turn indicator
- Panoramic Sunroof
- Taillights with Integrated LED Light Bars

##### Comfort and Convenience

- Automatic Climate Control System

##### Seating

- Leather Upholstery

##### Safety (Including Driver Assistive Technology)

- Front Side Airbags
- Side Curtain Airbags
- Wide View Multi-Angle Rearview Camera

### LX

#### Standard features on the LX:

##### Exterior

- LED Daytime Running Lights (DRL)
- Halogen Headlights
- Auto Lights Off Timer
- Body Colour Door Handles
- Fin-Type Roof-Mounted Antenna
- Power Folding Side Mirrors
- LED High Mount Stop Light
- Front Bumper Spoiler
- Body Color Tailgate Spoiler

##### Comfort and Convenience

- Electric Parking Brake with Automatic Brake Hold
- Manual Climate Control System
- Smart Entry with Push Button Start
- Cruise Control
- Tilt and Telescopic Steering Wheel

##### Seating

- Fabric Upholstery
- Manual Driver's Seat Height Adjustment
- 2nd-Row Magic Seats® with Recline and 60:40

##### Audio and Connectivity

- 6.8 Inch Display Audio with Touch Screen
- 4 Speakers
- Bluetooth® HFT®
- Bluetooth® Streaming Audio
- USB Audio Interface
- Steering Switch Audio Control
- HDMI Interface

##### Safety (Including Driver Assistive Technology)

- Front Airbags (SRS)
- Vehicle Stability Assist™ (VSA®) with Traction Control
- Anti-Lock Braking System (ABS)
- Electronic Brake Distribution (EBD)
- Emergency Stop Signal (ESS)
- Hill Start Assist
- Advanced Compatibility Engineering™ (ACE™) Body Structure

##### Driver Information Interface

- Average Fuel Economy Indicator
- Instant Fuel Economy Indicator
- KM-to-Empty Indicator
- Odometer and Trip Meters (2)
- Exterior Temperature Indicator
